## For attention of B.Tech Semesters I & III Students

As per the R.T.U rules the B.Tech. students are required to have a minimum of 75% attendance in each subject. In case the attendance falls below 75% in any subject the student will not be permitted to appear in the University examination in that particular subject.

The students of B.Tech. 1<sup>st</sup> and 3<sup>rd</sup> Semesters are advised to cross check their attendance, in all subjects, to ensure that they are permitted to appear in the R.T.U examinations.
