Date: 16.02.2021

Note: 1. Answer Sheet PDF of Mid Term 1 for semester 8 can only be uploaded within the first 20 minutes after the exam time is exhausted. So students need to upload their answers in those 20 minutes after the exam time. By any chance if any student fails to upload his/her answer sheet pdf, he or she will not be able to submit it by any other method.

2. Students of B.Tech Sem VIII please note while uploading the Mid Term 1 examination answer copies via, the link. Please make sure to fill your basic details correctly as asked in the form otherwise your submission will be rejected. Also note that you have to choose the Batch, Semester, course, Name of the faculty, Email I'd of the faculty, Subject etc. wisely while uploading the Internal Improvement copies, and also double check the entries before final submission.

3. The students are required to select the information the basic details correctly then only it will go for the Submission, then only it is a valid examination paper. If there is any one wrong information it will not be taken as a correct submission. For this reason only uploading time is given 20 minutes to avoid this mistakes and Students are required to concentrate and be conscious while submitting the answer copies of Mid term 1 Examination.

According to you it might be a careless/a very minor mistake but according to the system it will not recognise your Submission. Since B.Tech. Aeronautical Engineering itself is a precious course where Zero Error is required.

So kindly here after whatever the Submission are required through online fill the correct details as well as cross check it before submitting your final submission.
