

# INDUCTION PROGRAM - 2018

When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. It is important to help them adjust to the new environment and inculcate in them the ethos of the institution with a sense of larger purpose.

A three week long induction program has been proposed. Normal classes will start only after the induction program is over.

Induction program activities are divided in three phases :-

1. Initial Phase (two days)
2. Regular Phase (eight days)
3. Closing Phase (two days)

Sundays are off.
