VACCINATION : PREVENTION FROM **MEASLES/ CHICKENPOX**

It is observed that very few students have got themselves vaccinated inspite of our repeated reminders. Therefore, it has been decided that all students have to submit proof of vaccination /certificate to Registrar Office before pack up time, i.e, 05:00 pm on 6th April 2016. Those students, who do not submit the above mentioned certificate/proof will not be permitted to attend classes with effect from 7th April 2016 till they submit the proof/certificate.
